The Touch Electronic Control on Top offers precise function control

With the responsive and clear display you can precisely set the temperature and effortlessly access the Freezer functions, with the Touch Electronic Control on Top.

Soft-closing door for smooth and quiet closing every time

Accurately crafted soft-closing door hinges help to prevent accidentally open freezer doors that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.
