

Every glass flawless. No handwashing required
 The 7000 GlassCare Dishwasher offers specialist care for glassware throughout the cleaning process. The unique SoftGrip feature ensures that the stem and foot of every glass are held gently but firmly in the right position.

Product Benefits & Features

Every glass securely held in place. For better protection
 The 7000 GlassCare Dishwasher helps protect delicate glassware. It uses SoftSpikes to safely hold glasses in place, and has a unique bottom rack that securely holds stem glasses, protecting them from breaking.

- Capacity: 15 place settings
- Extra silent programme
- 4 temperature settings
- 9 programmes including:
- Rinse and hold
- Auto half load
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket

Dedicated protection for your delicate glasses
 Delicate glasses need special care. The upper basket in this dishwasher has soft rubber spikes to support and protect glasses. The SoftSpikes stabilise your glasses and mugs, preventing them from falling over and possibly breaking.

SatelliteClean®. Powerful dishwashing. Without using extra water
 Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.

Removes more than 99,999% of bacteria and viruses*
 The ExtraHygiene function gives you maximum cleaning performance with hygienic care. With the ExtraHygiene function, the final rinse phase heats up to 69°C and keeps the temperature high for minimum 10 minutes to sanitize your dishes, removing more than 99,999% of bacteria and viruses*.

QuickLift—adjust the basket height even when fully loaded
 Indulge in the efficient amenities provided by the QuickLift basket. Regardless if you have a full load with bulky items, you can effortlessly adjust the height so you can easily fit dishes and kitchen tools of different shapes and sizes.
