

Up to 3X better drying using fresh air. Zero energy use

AirDry finishes drying with natural airflow instead of heat. The door automatically opens towards the end of the cycle, letting room-temperature air into the dishwasher.

Product Benefits & Features

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Customisable space and convenient cleaning with MaxiFlex

The MaxiFlex drawer is engineered to accommodate cutlery and utensils of many sizes, whether large or awkwardly shaped. Flexible dividers and maximised depth mean each load is customisable. Essentially every item is seamlessly loaded and cleaned in one go.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and

Space where you need it: Height-adjustable upper basket

Easily create more space at the top or bottom with the height-adjustable upper basket. Simply grab the handle on both sides of the upper basket and slightly pull up to raise or lower either side or both sides.

Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.

- AirDry: The door opens automatically after the drying phase, ensuring dishes are perfectly dry every time.
- Sensorlogic
- Delay start: Up to 3 hours.
- Upper basket: Height adjustable for extra flexibility.
- QuickSelect: Digital touch slider.
- Inverter motor: Yes
- Touch control.
- XtraPower option: Extra cleaning power for heavily soiled dishes.
- Hinges: Sliding hinges for flexible installation.
