

Up to 3x better coverage without using extra water

Even closely stacked or larger dishes get thoroughly cleaned in the 6000 SatelliteClean® Dishwasher. The innovative spray arm provides up to 3x better spray coverage, guaranteeing corner-to-corner cleaning.

Even closely-stacked or larger dishes receive corner-to-corner cleaning with SatelliteClean®. The innovative spray arm guarantees water reaches everywhere. For deep-cleaning. With up to three-times better spray coverage, it provides stunning results across every surface.

Product Benefits & Features

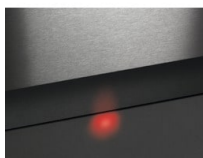

SatelliteClean®. Powerful dishwashing. Without using extra water

Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.

- Capacity: 9 place settings
- Sensorlogic
- 4 temperature settings
- 7 programmes including:
- Multi-tab
- Delay start of up to 24 hours
- Time remaining indicator
- Height adjustable upper basket
- Floor beam to update you on wash status
- End of programme audible alarm

The uncomplicated way to responsible dishwashing

Responsible choices made easy. Use the QuickSelect touchscreen slider to select your preferred cycle time and the Ecometer guides you to the most sustainable program to save energy and water through visually green bars.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

Open the door to dry dishes

AirDry delivers up to 3x better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

Water reaches every corner. With the Dual Spray Arms

Ensure maximum water coverage with two spray arms. The rotating sprinklers send water jets into every corner of both the lower and upper basket, for dishwashing results you can rely on.

Product Specification

Construction type	Built-In	Top spraying level	Ceiling shower
Installation	Fully integrated	Anti-flood Device	Floating switch
Dimensions (mm) (HxWxD)	818x446x550	Options	GlassCare, XtraPower
Built-under installation dimensions, mm (HxWxD)	820-900x450x550	Drying System	with AirDry Technology
Double Hinges	Sliding	Dishwasher programs	160 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, ECO, Machine Care, Quick 30 Minutes
Water Supply	Cold or hot	ProdPartCode	B – Open All
Cord Length (m)	1.5	Noise Level	46
Inlet hose length (cm)	150	Maximum number of place settings (EU 2017/1369)	9
Outlet hose length (mm)	150	Energy Efficiency Class (Regulation (EU) 2017/1369)	E
Connected load (W)	1950	Weighted energy consumption in kWh per 100 washing cycles of eco 40-60 programme (EU 2017/1369)	70
Wheels/feet	2 adj feet + 1 front adj rear foot;Adj 0 to 8 cm	The water consumption of the eco programme in liters per cycle (EU 2017/1369)	9.9
Voltage (V)	220-240		
Required Fuse	10		
Cleaning performance index (EU 2017/1369)	1.121		
Drying performance index (EU 2017/1369)	1.061		
Frequency (Hz)	50		
Number of programmes	7		
Number of Temperatures	4		
Door Colour	None		
Inlet Pipe Type	Aqua control		
Spray arm	Satellite spray arm
