

### More space. More taste. At once

The 6000 Bridge Induction Hob can easily cope when you're cooking with bigger pans. The Bridge function links two cooking zones on two sides of the hob to fit any large or long pan. The bridged zone will share the same temperature and time.

Create several large surfaces to cook on with the Multiple Bridge Function in the AEG induction hob. Two zones can be paired at the touch of a button, providing a single bridge for cooking. By automatically aligning to share both temperature and time settings, it's optimised for using large pots and pans at once.

### Product Benefits & Features

#### DoubleBridge. Makes more of your hob

With DoubleBridge, you can combine two cooking zones on two different cooking areas. Perfect for accommodating cookware of various sizes, the feature also aligns temperature and time settings for maximum flexibility in the kitchen.

- Automax function
- Residual heat indicators
- Powerful booster
- 15 stage digital power level displays
- Child safety control lock
- Control lock
- Auto safety switch off

#### Less steps and more control with Direct Touch Controls

The Direct Touch Controls user interface uses intuitive numbers 1-14 so you can set the right temperature right away without having to toggle through the plus and minus buttons.

#### Quicker heat for extra speed with PowerBoost

A blast of fast. No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat. PowerBoost is perfect for tasks that require you to boil a large pot of water quickly.

#### Hob timer. Built for precision

The built in hob timer can be set up to one hour, and will automatically power the hob down when it elapses. For effortlessly precise results.

#### Perfectly safe for your children with Child lock

The child safety lock ensures that the hob settings cannot be accidentally changed, so you can use the hob safely when your children are around.

Product Specification

Plug	No
Hobs Dimensions	590x520
Aperture dimensions HxWxD in mm	44x560x490
Radius cutting	5
Total electricity loading, W	7350
Hob safety	Automatic Switch Off
Left Front - Power/Diameter	2300/3200W/180x210mm
Rear - Power/Diameter	2300/3200W/180x210mm
Right front - Power/Diameter	2300/3200W/180x210mm
Right rear - Power/Diameter	2300/3200W/180x210mm
Gas supply: natural gas	No
Gas replacement	No
Gas replacement	No
Residual heat indicator	4
Led Colour	Red
ProdPartCode	E - Generic Partner All
Standby power, W	0.49
