

Steam instead of wash – in only 25 min. with 96% less water*

Steaming instead of washing is one of the best ways to refresh clothes that do not need a full wash. The 7000 ProSteam® Washing Machine can use the steam cycle to refresh clothes, which consumes only 2L of water per cycle and is kinder to clothes.

Product Benefits & Features

Garments refreshed,* wrinkles reduced with steam refresh

Steam Refresh neutralises odours* and reduces wrinkles on garments, including delicates, in just 25 minutes. And if you like an extra boost of freshness, just add our aromatic steam fragrance. Giving it that just washed freshness.

- Wool plus programme
- Delicate programme
- Cottons programmes
- Child safety lock
- Aqua Control

Mixload 69 min customises laundry cycles and saves you time

The MixLoad 69 min programme adjusts energy usage based on load weight when cleaning daily mixed loads. It washes clothes at 30°C and in just 69 minutes. Achieve optimal performance and outstanding cleaning results with MixLoad 69 min.

Precisewash reduces up to 40% of time, water and energy* by optimising every load

ProSense+ automatically adapts the energy usage and settings depending on the weight of the laundry load. So, you get customised laundry cycles that reduce energy, time and water usage by up to 40% when washing smaller loads.*

The smooth care drum pattern is even gentler on your fabrics.

The Care drum lets garments glide smoothly thanks to its elevated cushion-like drum pattern and optimised lifter paddle. A thin film of water covers the holes during washing. Providing your fabrics with an even gentler laundry experience.

The hygiene programme removes more than 99.99% of bacteria and viruses*

The Hygiene programme certified by Swisstest is a high-performance wash cycle that removes more than 99.99% of bacteria and viruses* from clothes. By keeping your wash temperature above 60°C, you can also reduce allergens.

Product Specification

Energy Rating	A	Drawer Compartments	3
Washing Capacity (kg)	8	Series	7000
Max Spin Speed (rpm)	1600	Connectivity	No
