

### Dish up delicious

Dish up delicious meals in moments with this dual-function microwave – with a grill feature for that professional finish. Delivering on both taste and texture, that finishing touch is yours at a touch of a button – from crisp bacon to a golden cheese crust.

Dish up delicious meals in moments with this dual-function microwave – with a grill feature for that professional finish. Delivering on both taste and texture, that finishing touch is yours at a touch of a button – from crisp bacon to a golden cheese crust.

## Product Benefits & Features

### All it takes is a touch to open the microwave

The microwave oven has been designed with an electronic, touch-activated door. This means that it opens with just a tap. Providing quick and convenient access to what is inside.

### Instant access to customised functions

Frequently used microwave settings can be saved and accessed quickly with the favourite functions. Once a customised programme has been set, simply activate it via the star-shaped icon. No need to remember the exact settings each time. It's convenience, at a touch.

### A sleek design for quick cleaning

Cleaning is at its most convenient with this microwave oven. Its sleek design means that there is nowhere for dirt to get stuck. No buttons. Just a smooth glass surface. Ensuring a spotless finish every single time.

- Clock & Timer
- Audible End Signal
- Child lock
- Quick Start
- Defrosting Programmes

## Product Specification
