

Dehumidifier MDX14

Wood's®

Compact and quiet for bathrooms and smaller spaces.

Wood's MDX14 fits almost everywhere thanks to its compact design and low weight. With the practical handle, you can easily move the dehumidifier to where it's most needed at the moment. The MDX14 exhausts dry air on its top that blow-dries the laundry. Its many advantages make the MDX14 ideal for bathrooms and smaller spaces but also for boats and caravans and motorhomes.

MDX14 a compact and very efficient dehumidifier

MDX14 is a very smooth, efficient and easy-to-care dehumidifier that removes up to 10 liters of water per day. MDX14 is very easy to use. Wood's MDX14 proves that efficient and intelligent dehumidification is not complicated. Wood's MDX14 is the dehumidifier with many features and benefits. A clear display showing the current humidity level that is very easy to set. There is also a hose connection for continuous drainage and a washable air filter on the back of the MDX14. MDX14 is equipped with automatic shut-off at the set humidity value set. Practically recessed carrying handle for easier movement between rooms.
