

Your home espresso bar with touchscreen controls

Built-in espresso bar with touchscreen control for efficient navigation. Prepare and enjoy a selection of coffee, espresso, and other hot drinks exactly the way you want them at home.

Product Benefits & Features

Be your own barrista

The built-in coffee machine from AEG enables you to prepare that perfect espresso, cup of coffee or other hot drink exactly the way you like it. It's like having an espresso bar at home. With a barrista who never gets your order wrong.

Efficient Touch display

The large Touch display enables you to efficiently navigate the menus to choose features and settings.

Choose the recipe for your perfect drink

Adjustable coffee and milk quantity settings let you fine-tune the recipe to your precise preferences: cappucino, flat white, macchiato and more.

Milk jug keeps milk fresh longer

The milk jug enables you to keep milk fresh longer and simplifies the adjustment of foam density according to your preferences.

Design alignment: Glossy Black finish matches the appliance range

Premium Glossy Black finish reaches a new level of design sophistication. Gleaming surfaces catch the light and align with the design of the oven to make an authoritative design statement.

- Dishwasher safe:
- Drip tray
