

No Frost forever
7000 No Frost prevents ice from building up the freezer. Performance is never compromised and your food is preserved better than ever.

Product Benefits & Features

Keep your freezer ice free, with No Frost
No Frost means there's no defrosting. It keeps the freezer ice-free, so you can always be sure of maximum performance.

Store plenty at once. With OptiSpace
This innovative Freezer with OptiSpace offers lots of storage options, and abundant room between shelves. The freezer boxes can all be easily detached and reattached, for effortless and convenient storage.

Manage functions and temperature with Electronic Control
Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Upright Freezer also gives you instant feedback of your adjustments on the digital control panel.

Perfectly fresh food with Frostmatic
The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.
