

Zero degrees. Maximum protection for ingredients

The 9000 LongFresh Fridge compartment creates a dedicated environment for delicate produce, providing an area colder than the fridge, chilled to 0°C. Perfect for preserving meat, fish, or any fresh food.

Product Benefits & Features

Maximum ingredient care. With ZeroDegrees LongFresh

LongFresh 0°C compartments, ultimate environment for protecting the condition of ingredients. Area colder than the fridge, kept at 0°C degrees, the right zone for fish, meat or finer produce. Equipped with humidity controls, to avoid drying out. For carefully selected produce, kept full of aroma.

Stable temperatures, with MultiFlow

MultiFlow protects the quality of food by maintaining stable temperature and humidity in the whole fridge. Multiple air channels enable an active circulation of cold air reaching every corner.

- LCD touch display
- Child-proof control panel protection
- Coolmatic
- Door open indicator
- 212 litre gross fridge capacity
- 200 litre net fridge capacity
- Auto fridge defrost
- Dynamic air technology
- Precision cooling system
- LongFresh zone
- Full width covered dairy compartment
- Door shelves
- Half width sliding door shelf
- Air purifier
- Hinge type: Fixed door on door
- Reversible door

The Touch Electronic Control on Top offers precise function control

With the responsive and clear display you can precisely set the temperature and effortlessly access the Refrigerator functions, with the Touch Electronic Control on Top.

Fridge space. Adapted seamlessly with FlexiShelf

Experience flexible fridge storage with the FlexiShelf. The front section slides seamlessly underneath the remaining segment to accommodate taller items.

Soft-closing door for smooth and quiet closing every time

Accurately crafted soft-closing door hinges help to prevent an accidentally open fridge door that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.
