

Open the door to natural drying

The Series 20 AirDry dishwasher automatically opens the door in the final part of the cycle, letting fresh air inside – performing three times better than our closed-door systems. Automatic drying, with no extra effort from you. Just unload when it suits your schedule.

Product Benefits & Features

Three times better drying, with AirDry

AirDry technology lets air into the dishwasher in the last phase of the drying process. The door will automatically open to allow a 10cm gap, for up to three-times better drying, compared to our closed-door systems.

- Freestanding
- Capacity: 13 place settings
- Number of programmes: 8
- Height adjustable upper basket
- Foldable cup shelves
- Salt & rinse aid indicators
- Rinse and hold
- Time remaining indicator
- A class cleaning performance
- A class drying performance

It's so nice the QuickLift basket can adjust its height

It just got a lot easier to load or remove dishes with the QuickLift basket. Even when the basket has a full load packed with bulky items, the QuickLift system allows you to adjust the height so you can easily reach your dishware.

Quick cycle, to suit your schedule

The Quick programme is ideal when you're short on time, with light loads treated in just 30 minutes. Clean dishes, on your schedule.

Total peace of mind, with MachineCare

The MachineCare programme is designed to keep the dishwasher working at its best. When combined with our special cleaning detergent, grease and limescale are washed away, for better performance and cleaner dishes.

Maximum efficiency, with AutoSense

The AutoSense programme adjusts cycles based on how full the dishwasher is, and how clean or dirty the dishes are. It will only use the necessary amount of water and energy needed for the best results.

Product Specification

Installation	Built under (removable worktop)	Dishwasher programs	160 Minutes, 60 Minutes, 90 Minutes, Auto, ECO, Machine Care, Quick 30 Minutes, Rinse & Hold
Construction type	Free-Standing	Noise Level	46
Dimensions (mm) (HxWxD)	850x598x622	Maximum number of place settings (EU 2017/1369)	13
Built-under installation dimensions, mm (HxWxD)	820-850x598x570	Weighted energy consumption in kWh per 100 washing cycles of eco 40-60 programme (EU 2017/1369)	94
Double Hinges	Normal	The water consumption of the eco programme in liters per cycle (EU 2017/1369)	9.9
Water Supply	Cold or hot	Cleaning performance index (EU 2017/1369)	1.121
Cord Length	1.5	Drying performance index (EU 2017/1369)	1.061
Inlet hose length (mm)	150		
Outlet hose length (mm)	150		
Connected load (W)	1950		
Wheels/feet	4 adjustable feet;Adj 0 to 1 cm		
Voltage (V)	220-240		
Required Fuse	10		
Frequency (Hz)	50		
Number of programmes	8		
Number of Temperatures	4		
Door Colour	White		
Anti-flood Device	Floating switch		
Inlet Pipe Type	Aqua control		
Spray arm	Standard		
Top spraing level	None		
Options	GlassCare, XtraPower		
Drying System	AirDry Technology
